

## Twisted Stories

**Mondays and Thursdays**

### **Vocabulary 2: Making a vocabulary scale**

1. In pairs: Arrange the following crimes on the scale from less serious to very serious.

*blackmail – burglary – cybercrime – hate crime – murder – pickpocketing – robbery – shoplifting – smuggling*

2. Find a new partner and compare your ranking of the crimes. Do your scales look the same or have you ranked the crimes differently?
