

## Choices and Consequences

### Why I Left College, Twice

#### Grammatik 3: Indsæt verber i præteritum

1. Indsæt følgende verber på de tomme pladser i følgende tekstuddrag. Husk at bøje verberne.

*dig – have – help – know – leave – need – start – tell*

- a. I \_\_\_\_\_ school after an especially bad semester and \_\_\_\_\_ working at a restaurant in my home town. Unsurprisingly, my family wasn't thrilled, but they \_\_\_\_\_, before I did, that there were some lessons that I \_\_\_\_\_ to learn for myself if I was going to return to complete my degree. I had \_\_\_\_\_ myself a hole, and I couldn't just keep digging. I had to look for another way to move forward.
- b. Retail therapy and going out to eat with friends \_\_\_\_\_ me ignore the sinking feeling in my gut about school. I had to pay rent, but I still \_\_\_\_\_ enough left over to keep myself busy. I \_\_\_\_\_ everyone that I didn't need to go to school; I would just waitress for the rest of my life.

2. Hvilke af verberne er uregelmæssige?
